Class Observations

Tiny Tots, Creative Movement and Kinderdance classes may be observed the entire month of September as well as the 1st lesson of each month through December. We hold PARENT WATCH WEEK in Oct for all classes!

Recitals

It is our tradition to host an annual performance at the close of the dance year in May. Students are able to showcase to family and friends how hard they worked all year long! This is a fun and exciting event with beautiful and always tasteful costumes! Any student who chooses not to be in the recital, must inform the studio by the 1st of November. The studio will also inform parents with more detailed information as the recital approaches. Tuition and costume balances must be paid in full in order to participate in the recital. The Dress Rehearsal and Recital take place the weekend of May 16th, 2025, at the Carver Middle High School. Tickets go on sale online in late April.

Holidays & Vacations

The studio will be closed for the following scheduled school vacations: Christmas, February & April. We do not close for teacher professional days. A list of dates when the studio is closed through the year will be provided.

Attendance

Students must make every effort to attend scheduled classes. Students need to arrive to dance class on time and ready to dance. Continued tardiness/absences will result in dismissal from class. In the event of excessive absences, the studio will need to have a conference with parents and dancers may be excluded from the recital, no refunds on costumes.
